

# Lakeside Union School District

## Priorities and Goals

---

### **Academic Excellence**

Provide high quality curriculum, instruction and innovative learning opportunities that increase student achievement while developing 21<sup>st</sup> century learning skills for all students.

### **Fiscal Responsibility**

Create a process within the Lakeside Union School District community, which maintains the positive financial position and fiscal stability of the district by involving all stakeholder groups in the prioritizing, monitoring, and allocating of district resources.

### **Working Together**

Establish systems that foster a healthy, cohesive, effective, and positive learning environment for our students and staff that surpasses the high expectations of our employees and the community we serve.

### **Everyone Succeeds**

The specific needs of all learners will be addressed by utilizing appropriate, research based instructional materials to engage students with learning opportunities that are challenging and designed to increase student success.

### **A Place to Learn**

District facilities will be well maintained, clean, safe and secure in order to provide a learning environment where student success is the first priority.
