## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

### Principal's Message

Dear Parents,

Welcome you to Lakeside School's Annual School Accountability Report Card. Information about our school is presented in the form of compliance with Proposition 98, which identifies the school accountability report card as a required component that every school in California must issue.

Our top two priorities at Lakeside School are safety and academic achievement. Lakeside School's commitment to excellence is characterized by a school community that values education and works together to serve the needs of all the students. We strive to maintain high expectations and a positive safe school climate with frequent home-school communication.

Our Lakeside community is a team of dedicated teachers, support staff, students and parents that are committed to preparing students for the 21st century. We welcome you to join us in our sharing of an outstanding academic climate for all students. We take great pride in our tradition of service to our school community.

...Learning Today, Leading Tomorrow

### District Mission

The Lakeside Union School District is committed to a quality educational program, responsive to the needs of its students within a safe nurturing environment. The staff, students, parents, and community assume responsibility for each student's academic and personal success. Recognizing the worth and dignity of each student, the Lakeside Union School District prepares all students to achieve to their fullest potential. Our goal is to produce students who make informed decisions, as they become responsible citizens and productive members of society.

### District Vision

To inspire a passion for learning, by empowering all students to acquire, understand and value the knowledge for success in an ever-changing world.

## 2021-22 School Overview

### Lakeside School Profile

Lakeside School was built in the 1941 and currently services over 630 students in kindergarten through eighth grade; the student body includes approximately 9% receiving special education services, 10% qualifying for English learner support, and 67% receiving free or reduced-price lunch. K-5 instruction is provided in self-contained classrooms; students in sixth, seventh, and eighth grade receive instruction in a departmentalized format.

## About this School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

### 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### 2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20
Permits and Waivers	
Misassignments	
Vacant Positions	
Total Teachers Without Credentials and Misassignments	

### 2019-20 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2019-20
Credentialed Teachers Authorized on a Permit or Waiver

Total Out-of-Field Teachers	

## 2019-20 Class Assignments

Indicator	2019-20
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state's adoption.

In fall 2021 the Lakeside Union School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted a Resolution which certifies as required by Education Code §60119 (1) that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, and (3) that sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes.

### Library Resources

The library is open during instructional time so students have access to a wide variety of books for all reading levels. Dictionaries, encyclopedias, maps, and charts are available to support current classroom lessons. Internet-accessible computers are used for title searches, research, and Accelerated Reader testing. Students visit the library a minimum of once a week with their class; middle school students visit the library regularly as a component of their language arts class.

### Technology Resources

Lakeside School has chromebooks in all classrooms, all of which were connected to the Internet. Teachers determine the best methods to integrate technology into reading and language arts lessons in accordance with district technology standards. All classrooms have access to media content that is aligned to state standards. All classrooms have access to LCD projectors, document cameras, and Promethian boards (interactive whiteboards) to enhance delivery of class lessons.

## School Facility Conditions and Planned Improvements

Lakeside School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original facilities were built in 1942; ongoing maintenance and improvements ensure campus facilities remain up to date and provide adequate space for students and staff.

As students arrive on campus each morning, instructional aides, administrators, and teachers provide supervision on the play yard, in the hallways, and in the cafeteria. During K-5 recess, teachers, administrators, and instructional aides are stationed on the playground to monitor student activities. The principal, vice principal, and instructional aides share supervision of students in the cafeteria and on the playground during the lunch period. When students are dismissed at the end of the day, instructional aides, administrators, and teachers are strategically placed in exit areas and bus loading zones to ensure students leave campus in a safe and orderly manner.

The principal and vice principal are immediately available through cell phones. The custodians, school office, and individuals supervising students carry either cell phones or hand-held radios to quickly facilitate emergency as well as routine communications. Teachers monitoring playground activities also have a first-aid kit available to quickly and easily address minor injuries.

Lakeside School is a closed campus; when instruction starts there is a single entry onto the campus. Visitors are required to check in at the front office upon arrival, wear an identification tag while on campus, and then return to the school office upon departure.

Staff members are trained to activate lock down procedures in the event of an emergency. Fire, earthquake, or disaster drills are held monthly. Local law enforcement quickly responds to concerns as they arise.

### School Inspections

Schools are required by state law to conduct a formal inspection annually of designated areas and systems and then prepare a report on the current condition of facilities. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the current school year, restrooms were fully operational and available for student use at all times.

### School Site Safety Plan

The Comprehensive School Site Safety Plan was originally developed for Lakeside School in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. Lakeside School's most recent school safety plan was reviewed, updated, and shared with school staff.

The district administers a scheduled maintenance program to ensure that all classrooms and facilities are well-maintained and in good repair. The district's maintenance department manages larger projects that may require third party contractors. School custodians are qualified and equipped to handle minor routine repairs and maintenance projects.

The M&O Director reviews and approves all work orders before they are prepared by office staff and submitted to M&O for resolution. The district's maintenance department prioritizes incoming requests based upon the nature of the project. Safety issues are always given the highest priority and resolved immediately by either the site custodian or M&O staff. The principal or custodial staff contact M&O via cell phone or hand-held radio for urgent situations.

Lakeside School is proud of its high standards regarding campus maintenance and general housekeeping practices. Custodial staff are supervised by and collaborate with the district's Director of M&O to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Custodians follow a detailed set of cleaning standards, schedules, and policies for maintaining a clean and safe environment for learning. Upon hire, custodians participate in a formal training session that covers state mandated health and safety topics. The Director of M&O meets with custodians monthly to address safety issues, district policies, and school activities schedules.

The principal communicates frequently with custodians regarding school facilities and safety issues, custodial responsibilities, and housekeeping needs. Every morning before school begins, the day custodian secures the school gates and inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately. All staff members share the responsibility to check restrooms frequently as a proactive measure in keeping facilities stocked, safe, and sanitary.

## School Facility Conditions and Planned Improvements

Custodians are assigned to Lakeside School for routine maintenance, daily custodial duties, and special events. The day custodians' routine includes general maintenance duties; preparing facilities for mealtime activities; cleaning the cafeteria after meals are served; cleaning restrooms and classrooms; and fulfilling basic custodial needs for students and staff. Two full-time evening custodians are responsible for cleaning classrooms and restrooms. One full-time groundskeeper is responsible for maintaining landscaping and irrigation systems. The Director of M&O follows-up regularly to ensure custodians are following the district's cleaning standards and to survey campus facilities to identify deficiencies that should be corrected to maintain high safety and cleanliness standards.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parents are encouraged to be involved in their child's learning environment by attending school events, serving on a school committee, and volunteering at the school. Staff welcome parents' assistance in the classroom or library, chaperoning field trips, and organizing fund-raisers.

Back to School Night, Open House, Camp Keep, Eighth Grade Graduation, parent conferences, and Bulldog Days provide wonderful experiences for parents to interact with the school community while supporting their child's efforts. As a member of the School Site Council, English Learner Advisory Council, or one of the booster clubs, parents have the opportunity to provide input on school activities, programs, and financial planning. The School Site Council, an elected group of parents and school staff, is a major governing body that provides guidance for and approves the school site plan, school budget, and school safety plan.

Lakeside School supports parent involvement in all school activities and programs by emphasizing communication (in both English and Spanish) between the school and home. Teacher newsletters, telephone calls, letters, flyers, parent conferences, the school website, and the automated telephone message system are used to keep parents up to date on school information and student progress. The school's web site is a valuable resource for general information about the school and its programs, schedules, staff, and educational resources. School staff encourage parents to present ideas and suggestions at meetings on an individual basis or by written communication. Parents may contact their child's teacher or school office staff at (661) 831-3503 for more information about Lakeside School or to volunteer their talents.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

<b>Expulsions</b>	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

The Comprehensive School Site Safety Plan was originally developed for Lakeside School in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, response to a pandemic, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. Lakeside School's most recent school safety plan is reviewed, updated, and shared with the School Site Council and staff annually in the fall. Students and staff participate in monthly safety drills, and the Great California Shake-out earthquake drill in the fall of each year.

The School Plan for a Safe Reopening was developed in response to the COVID-19 pandemic. Per CDE, this guidance was created through the statewide reopening schools task force that fostered a collaborative process for our educators and stakeholders to lend their important voices. Also informed by the technical assistance and advice of many health and safety organizations including the Centers for Disease Control, California Department of Public Health, California Division of Occupational Safety and Health, the intent of this document is to be a guide for the local discussion on safely reopening schools.

## Professional Development

Lakeside School makes every effort to meet the academic, emotional, and physical needs of our students. Counseling support may be provided by school administrators and teachers.

Our Local Control Agency Plan (LCAP), developed by stakeholders, includes three primary goals:

1. All students will demonstrate growth towards meeting or exceeding standards in ELA, Math, Science, HSS, and ELD, as demonstrated through state assessments, local formative assessments and course grades.
2. The district will provide an engaging and nurturing environment where students will demonstrate a positive growth in attendance rates, decrease in student suspension and expulsion and increase in parental involvement.
3. The district will continue to hire the most qualified teachers and train them in the latest instructional strategies, maintain clean, safe, functional facilities that are in good repair, and provide sufficient standards aligned to instructional materials in core academics for all students with a focus on Students with Disabilities, English Learners, low-income, and foster youth. This goal will increase the quality of instruction and have a positive impact on student growth.

Programs currently being implemented at are: IlluminateEd, Imagine Learning, and Guided Reading. Teachers and administrators have received and continue to receive professional development during the school day and after school through in-services and workshops, on the currently implemented programs.

Lakeside School acquires highly qualified nonteaching support staff as needed through the Kern County SELPA for: health services, speech and language therapy, occupational therapy, adapted and physical therapy, psychological services, deaf and hard of hearing services, and vision, orientation, and mobility services.

All training and curriculum development at Lakeside Union School District revolves around the California Common Core State Standards and Frameworks. All training activities are focused on curriculum and driven by teacher and student needs. Staff development activities are selected through a collaborative effort of teaching staff and based upon assessment results, staff survey results, feedback from both teaching and administrative staff, school goals and through weekly Professional Learning Communities Meetings.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
