## 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

### Principal's Message

Welcome to Suburu School! The purpose of this School Accountability Report Card is to provide parents and the community with information about academic achievements, adequacy of instructional materials, status of campus facilities, student safety practices, qualifications of professional staff, and progress in meeting state standards.

As part of our program, in addition to our regular core subjects, we provide un-interrupted time for intensive intervention, strategic intervention, and enrichment groups that are designed to meet the specific needs of every child on our campus. Teachers use regular Common Formative Assessments to make informed decisions about their teaching and student learning. Chapter and unit assessments, quarterly benchmark exams, and interim assessments, are used to monitor student progress towards reaching proficiency on the Common Core State Standards. Our teachers meet in Professional Learning Communities and Data Teams weekly to collaborate, where they focus on developing lessons and planning best teaching strategies to maximize student learning. Collaborative efforts among administration, teaching staff, and parents will ensure students thrive in an environment which fosters emotional and academic success.

The California Common Core Standards are being taught in every classroom. You may access these standards on the California Department of Education website at <http://www.cde.ca.gov/>. In the spring, students in third, fourth, and fifth grades, participate in the computerized assessment called the California Assessment of Student Performance and Progress (CAASPP), in English Language Arts and Mathematics. Districts and parents receive Student Score Reports from this assessment in the summer.

### Suburu's Mission

Suburu School is committed to a quality educational program, responsive to the needs of its students within a safe nurturing environment. The staff, students, parents, and community, assume responsibility for each student's academic and personal success. Recognizing the worth and dignity of each student, Suburu prepares all students to achieve to their fullest potential. Our goal is to produce students who make informed decisions, as they become responsible citizens and productive members of society.

### School Vision

## 2022-23 School Overview

A place where students of the Suburu Community become college and career ready and independent lifelong learners.

### Suburu School Profile

Suburu School currently services 830 students in Transitional Kindergarten through fifth grade. The student body includes 11.7% receiving special education services, 16% identified as English Learners, 1.8% identified as homeless, and 69.5% receiving free or reduced-price lunch. Located in a suburban area in the Castle and Cooke development of Silver Creek, Suburu School is a small friendly community school. All staff members are committed to providing a quality educational program, responsive to the needs of its students within a safe, nurturing environment.

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-5 are selected from the state's list of standards-based materials and adopted by the State Board of Education. District textbook review and adoption activities occur the year following the state's adoption. On October 4, 2013, the SBE adopted the new Common Core State Standards.

On September 2021, the Lakeside Union School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted a Resolution which certifies as required by Education Code §60119 (1) that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, and (3) that sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes.

### Library Resources

Our library is open between 8:00am and 2:30pm daily. Students have access to a wide variety of books for all reading levels. Four computers are accessible for students to use Accelerated Reader and/or research on the internet. Students visit the library a minimum of once a week with their teacher and is available for students during their recess to check-out books, use the computers, and to study.

### Technology Resources

All students Transitional Kindergarten to fifth grade have access to a chromebook and if needed a hotspot for access to the internet. All classrooms have access to LCD projectors, document cameras, and interactive whiteboards to enhance delivery of class lessons. Parents/Guardians are required to sign an Internet Permission Form for their child before access to the internet is granted.

## School Facility Conditions and Planned Improvements

### School Facilities

Suburu School provides a safe clean environment for learning through proper facilities maintenance and campus supervision. Original facilities were built in 1997; ongoing maintenance and improvements ensure campus facilities remain up to date and provide adequate space for students and staff.

### Campus Maintenance

The district administers a scheduled maintenance program to ensure that all classrooms and facilities are well-maintained and in good repair. The district's maintenance department manages larger projects that may require third party contractors. School custodians and the grounds and maintenance staff are qualified and equipped to handle routine repairs and maintenance projects.

A universal work order process is used districtwide. Teachers and classified staff prepare and submit Maintenance Requests to the principal for approval and the principal authorizes maintenance requests for site custodians or site maintenance to complete. The district's maintenance department prioritizes large scale incoming requests at Suburu, based upon the nature of the project. Safety issues are always given the highest priority and resolved immediately by either a site custodian or other district Maintenance and Operations staff.

Suburu School is proud of its high standards regarding campus maintenance and general housekeeping practices. Custodial staff are supervised by and collaborate with the district's Maintenance and Operations Director to ensure classrooms and campus grounds are well maintained and kept safe and functioning. Custodians follow an established set of cleaning standards, schedules, and policies for maintaining a clean and safe environment for learning. Upon hire and on a regular basis, custodians participate in formal training that covers state mandated health and safety topics.

The principal and vice principal meet with the lead day custodian and/or grounds and maintenance employees to discuss school facilities and safety issues, custodial responsibilities, school activities schedule, and housekeeping needs. Every morning before school begins, the day custodians and/or maintenance employee, secure the school gates and inspect school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately. Custodians check and clean restrooms as needed multiple times a day, as a proactive measure in keeping facilities stocked, safe, and sanitary.

Two full-time day custodians, one part-time day custodian, and one grounds and maintenance employee, are assigned to Suburu School for routine maintenance, daily custodial duties, and special events. The day custodians' routine includes general maintenance duties; preparing facilities for mealtime activities; serving meals, cleaning the cafeteria after meals are served; cleaning restrooms and classrooms; and fulfilling basic custodial needs for students and staff. Two full-time evening custodians are responsible for cleaning classrooms and restrooms, and are available for after school and evening events. One full-time maintenance/groundskeeper is responsible for general maintenance and repair of facilities, blowing blacktop playing areas, and maintaining the landscape and the irrigation system. The district's Maintenance and Operations director follows-up regularly to ensure custodians/maintenance are following district's cleaning standards and to survey campus facilities to identify deficiencies that may need corrected to maintain high safety and cleanliness standards. Two custodians also have the responsibility of driving our Special Education students to multiple schools in the City of Bakersfield each morning and returning them home in the afternoon for a minimum of four hours daily.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	34.5	N/A	37.14	N/A	47.06
<b>Mathematics</b> (grades 3-8 and 11)	N/A	20.10	N/A	17.62	N/A	33.38

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

##### Parent Involvement

Staff members at Suburu School believe that a successful educational experience for each student results from parents/guardians, students, staff, and our community working together. Parents/guardians are encouraged to be involved in their child's learning environment by attending school events, including awards ceremonies, band and choir concerts, serving on a school committee, volunteering in the classroom, or helping in the library.

Back to School Night, Book Fair, Open House, Parents as Partners Night, Reading Week, holiday festivals, family dances, and other Parent Teacher Club (PTC) sponsored activities, provide wonderful experiences for parents/guardians to interact with the school community while supporting their child's efforts. As a member of the PTC, English Language Advisory Council (ELAC), District English Language Advisory Council (DELAC), School Site Council (SSC), Local Control and Accountability Plan (LCAP) meetings, and participating in Community Meetings to provide parents the opportunity to be involved in the decision-making process and have input on school activities, programs, and financial planning.

Parent Involvement Policy is promoted to facilitate the accomplishment of the following goals set forth:

- To engage parents positively in their children's education.
- To provide parents with strategies and techniques that may be utilized to improve their children's academic success and assist their learning at home.
- To build effective communication between the home and school.

Suburu School supports parent involvement in all school activities and programs by emphasizing communication between the school and home in both English and Spanish. Mass e-mail, text messaging, telephone calls, fliers sent home, Homework Hotline, Parent Portal to access current grades in grades 2nd -5th and other information including attendance, ConnectEd access for math assistance at home, BenchmarkEd for English Language Arts and English Language Development assistance at home, parent conferences and progress notices are also used to keep parents up to date on school information and student progress. The school's website is a valuable resource for general information about the school and its programs, schedules, staff, and educational resources for both parents and students. Parents/guardians may submit their email address to the school if they choose to receive information on upcoming school activities and events. District and school site notifications are also sent via ParentSquare. School staff encourages parents/guardians to present ideas and suggestions at meetings, on an

individual basis, or by written communication. An Events Calendar is sent home with students periodically and placed on the school's website to provide parents and students with information on upcoming events well in advanced. Parents may contact the school office at (661) 665-8190 for more information about Suburu School or to volunteer their talents.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

## 2022-23 School Safety Plan

Our Comprehensive School Site Safety Plan is developed for Suburu School in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. Suburu School's most recent school safety plan was reviewed, updated, and shared with school staff in August 2021. Students and staff participate in monthly fire and lockdown drills and the Great California Shake-out earthquake drill in October. Suburu School also has a school safety team that meets quarterly to plan, update, and implement best practices for safety. This team also attends multiple trainings related to school safety.

## Professional Development

All training and curriculum development in the Lakeside Union School District revolves around the California Common Core State Standards and best teaching practices. All training activities are focused on curriculum and driven by teacher and student needs. Staff development activities are selected through a collaborative effort of teaching staff and based upon assessment results, staff survey results, feedback from both teaching and administrative staff, school/district goals, and through weekly Professional Learning Community and Data Team Meetings.

Our Local Control Agency Plan (LCAP), developed by stakeholders, includes three primary goals: 1.) Ensure high quality instruction; 2.) Increase student achievement; 3.) Ensure a positive learning environment. The primary academic focus at Suburu School is reading fluency, reading comprehension, and vocabulary acquisition, to maximize student learning and work towards the three LCAP goals. Teachers are provided regular Professional Development by the principal, district technology coordinator, as well as other outside support that is evidence based. Programs currently being implemented at Suburu are: IlluminateEd, Imagine Learning, NextGen Math, and Guided Reading. Teachers and administrators have received and continue to receive professional development during the school day and after school through in-services and workshops, on the currently implemented programs.

Suburu School continues to make every effort to meet the academic, emotional, and physical needs of each of our students. Counseling support is provided by two counselors, school administrators, teachers, and school psychologists.

Suburu School acquires highly qualified non-teaching support staff as needed through the Kern County SELPA for:

- Health services
- Speech and language therapy
- Occupational therapy
- Adapted and physical therapy
- Psychological services
- Deaf and hard of hearing services
- Vision, orientation, and mobility services
