Dear Lakeside Family,

In an effort to provide transparency relative to important issues impacting the Lakeside Union School District, I would like to inform you about some troubling news.

I am saddened to report a member of our elected school board resigned his position on Tuesday, February 9, 2021. Today, the District was notified the board member was arrested for alleged misconduct related to a minor, earlier this month. The matter is currently under investigation by the Kern County Sheriff's Office and formal charges have not been filed at this time.

At this point, our understanding is that no alleged victim or victims were a student of the District. The Safety and wellbeing of our students, and our community's youth in general, are among the District's highest priorities. While these are only allegations at this point, the District would like to make it clear that it vehemently condemns acts of this nature.

Any questions or concerns regarding the safety of students should be directed to either the Principal of your child's school or myself.

Respectfully,
