

Welcome Back Lakeside Families. This year the Booster club has been able to help out Mrs. Moore's Class with a class set of *Esparanza Rising* books and Mrs. Kadel's class with some sewing kits, envelopes, stamps and a couple microwaves so they have some hands on home economics learning in the classroom. We provided the staff with a Welcome Back Luncheon on August 18 to show them our support. This year the Booster Club would also like to purchase a new set of soccer nets for the students at recess. We are here to help the teachers and students succeed. We can only do this with the help from all of you and our wonderful community. With that being said, Lakeside Boosters have partnered with Lino's Mexican Cuisine for another wonderful \$10 dinner Fundraiser. If you would like to purchase a dinner ticket for \$10 each just return the order form below with cash, check (payable to: Lakeside Booster Club) or Venmo (@Lakesideboosterclub). If sending money by Venmo please put students full name, teacher and grade in the comments please. Once we receive the order form and money will send home the ticket(s) with your student.
